

Bucks Parent Carer Design Champions Online Forums

Come along to one of our online Parent Carer Design Champions Forums!

We know that good information is really important to families and carers of young people with SEND and we need your help to make it better.

Get creative, share your stories about your experiences and share your ideas around making films to help other families and carers, too.

Meetings are happening on:

- **Tuesday 25th August 2020 at 4.00pm – 5.00pm**
- **Thursday 27th August at 10.00am – 11.00am**

Email rosie.thomas@peopletoo.co.uk to book a space!
