## **EDUCATION HEALTH AND CARE NEEDS ASSESSMENTS**

### **Need to understand how the process works?**

**Join us for a free training webinar session  
delivered by Buckinghamshire SENDIAS Service**

**Thursday 15<sup>th</sup> July at 10.30 – 11.30am**

Are you a parent or carer with a child or young person who may have special educational needs and/or disabilities? Do they require additional help to learn and reach their best possible outcomes? Is the level of help they need beyond what is usually available in a mainstream school? If so, it is important that you understand the process relating to the assessment for and drafting of an Education, Health and Care Plan (EHCP).

Sarah Tibble and Sarah Smith (SENDIAS advisers) will provide a readily accessible guide for parent carers to the key aspects of the law through its various stages from EHC needs assessments to the drafting of EHC plans; and, if needed, the means through which disagreements can be resolved.

If you would like to join the webinar, please use the Eventbrite log in below to register so that we can provide you with the link to the webinar and any follow up material.

The webinar will be recorded and made available after the event on the FACT Bucks and Bucks SENDIAS websites.

There will also be the opportunity for questions. We do hope this will empower parent carers to seek the support they need and for families to understand their position.

This is the first of a series of webinars aimed at supporting parent carers. If you have any topics you would like covered please email [chair@factbucks.org.uk](mailto:chair@factbucks.org.uk)
