PARENTS COMMUNICATING CONFIDENTLY Need to make more impact in meetings?

**Join us for a free training webinar session
delivered by Buckinghamshire SENDIAS**

NEW DATE: Wednesday 12th January at 12.30pm via Teams

Parents or carers whose child or young person has needs and/or disabilities that require additional provision to enable them to meet their best possible outcomes must be able to make those needs and aspirations known to a variety of people in many different situations. It is important that you feel confident in speaking on their behalf so you can have the maximum impact.

Sarah Tibble and Sarah Smith (SENDIAS advisers) will provide a helpful guide for parent carers seeking to improve their skills and confidence in getting their voice heard.

If you would like to join the webinar, please use the Eventbrite log in below to register so that we can provide you with the link to the webinar and any follow up material. [Free Webinar on Parents Communicating Confidently for SEND in Bucks Tickets, Wed 12 Jan 2022 at 12:30 | Eventbrite](#)

If you are unable to join, then the webinar will be made available after the event on the FACT Bucks website.

There will also be the opportunity for questions. We do hope this will empower parent carers to seek the support they need and for families to understand their position.

This is one of a series of webinars aimed at supporting parent carers. If you have any topics you would like covered please email chair@factbucks.org.uk
